

# Skymon Icon Pack Free

A hand drawn style Icon Pack created for Game projects. Features **over 200 unique icons** in White colored PNG format. Well organized and labeled, all handcrafted in Photoshop. We are going to add lot more icons to it over time, so stay tuned for regular updates.

Also we are open to requests, just let us know which icons you need.

- Over 200 unique icons.
- All icons come pure white color.
- Format is PNG.
- Resolution is 512 x 512 px with proper padding.
- Actively in development to add new icons.

Also check out the **Premium pack of Skymon Icon Pack** which offers **3 additional styles**. In addition to **White icons**, you will also get **White Outlined**, **Colored** and **Colored Outlined** icons.
